Thank you for considering me.

EXPERIENCE

Upskill Learning Center

Senior Web Development Instructor

07/2024 – Present | Kart-e-Char, Kabul

- Developed and delivered comprehensive web development curriculum, focusing on both front-end and back-end technologies to enhance student learning outcomes.
- Mentored and guided students through complex project work, fostering critical thinking and problem-solving skills in real-world scenarios.
- Assessed student progress through timely feedback and evaluation, ensuring alignment with industry standards and best practices.
- Implemented innovative teaching strategies, utilizing modern tools such as GitHub and Visual Studio Code to facilitate student engagement and collaboration.
- Collaborated with faculty and industry professionals to continuously update course material, ensuring relevance to current web development trends and technologies.
- Integrated industry-standard practices into teaching methodologies, preparing students for successful careers in web development.
- Engaged in continuous professional development to stay abreast of technological advancements and pedagogical strategies in web development.
- Established strong relationships with students, providing career advice and networking opportunities within the tech community.

Ulearna

Senior EFL Instructor

11/2022 – 06/2024 | Qala-e-Fathullah, Kabul

- Assessed student progress through formative and summative evaluations, providing constructive feedback to support their learning journey.
- Implemented technology-based tools and resources to enrich the learning experience, including multimedia presentations and language learning apps.
- Collaborated with fellow instructors to design and refine curriculum, aligning educational objectives with best practices in language teaching.
- Conducted professional development workshops aimed at improving instructional techniques and teaching methodologies.
- Mentored new instructors, providing guidance on classroom management and pedagogical strategies.
- Enhanced student motivation through the implementation of gamified learning approaches and competitive language challenges.
- Supported students in preparing for language proficiency exams, providing targeted test-taking strategies and practice resources.
